Miracle-Gro : Container Gardens (Waterproof Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Container Gardens (Waterproof Books):

Take it out to the garden and get it dirty! No biggie!

Nobody says Container Gardening like Miracle-Gro(r)! Creating an extraordinary container is easier than you thought. Just tuck this handy waterproof guide into your pocket before you go plant shopping, then refer to the recipes for gorgeous combinations and advice on which plants work well together. The durable, wipe-clean pages are dirtproof, so you can refer to this while you're planting.
