Practical and BeautifulBy JessicaThis book is brimming with marvelous design, from the containers themselves to the lovely colors and layouts of each page.The plant palette pages are beautiful and include photographs and descriptions of each plant and alternate suggestions.The book has a great deal of practical information as well as creative container ideas, two of my favorites are 'A Mini Meadow' and 'Living Perfume'.With 42 inspiring combinations to choose from, you are sure to find several (if not all!) that are suitable for your location and garden style.0 of 0 people found the following review helpful. Container Theme Gardens - expected more Color and Flowers to be usedBy Morning GloryI thought there would be more information about mixing colors using flowers. I did not find the combinations that interesting or any I would want to use. I was looking more for use

of flowers (annuals) for that pop of color always needed on porches, window boxes, patios, etc. However, it does give good points as to where to use the perennials, explanation of each plant used and close up picture, what size container was used to achieve the look; gives dimensions. If you looking for guidance on Plant (not Flower) containers, this is your book. 0 of 0 people found the following review helpful. Beautiful Book By JH's mom I checked this book out from the library and then decided I needed to buy my own copy! Great pictures and ideas for pulling together beautiful container ideas. So many different styles and each one is described in detail. I can't wait to try some this spring.

Simple and foolproof! Enjoy beautiful container plantings with no stress or fuss. Container Theme Gardens offers 42 plans for container arrangements, each using just five specific plants that you can find at your local garden center. There's something here for every setting and every style, including a meadow in a box, a pond in a pot, a simple salad garden, and a combination that will attract hummingbirds. Each plan includes photographs of what the full planting will look like, as well as a handy shopping list so you know exactly what you need.

From the Back Cover The Perfect Mix Container gardening is rewarding and easy, even for those with limited space and time. All you have to do is choose a container and one of Nancy Ondra's creative five-plant themes. You might be drawn to a favorite color, like elegant white or soft blue. Or you might be looking for something just right for a sunny balcony or that shady spot on the deck. Perhaps you dream of creating a haven for hummingbirds or a banquet for butterflies, a night-blooming wonder or a fragrant container of herbs for tea. In every case, Ondra has a beautiful combination of just the right five plants for any season, situation, or taste.
