2 of 2 people found the following review helpful. Mentor assistanceBy SkylarrewInes has written a wonderful book. Using her photos and instruction, I was able to create a Platter of my own. She explains step-by-step how to do each project. I purchased this item from Amozon, and I will look for additional items of this authors. It is by far a must have book if you are just starting out, or if you are looking for fresh ideas.1 of 1 people found the following review helpful. Papier-MacheBy Momma SueThis was a wonderful book full of great ideas. My girls liked the masks and had a great time creating their own pesonal masks. We homeschool and this provided us with some really fun, creative ideas for

Art Class.

Papier mache is a simple and popular craft that costs next to nothing and requires no special equipment. This book includes detailed, easy-to-follow instructions that make it easy for readers to create almost anything using just paper and paste. Includes 20 projects. Over 250 color photos.
