This is definitely worth the money. I laminate my cross stitch patterns, so they will last ( hopefully ) many generations to come. The book was in excellent shape! GREAT BUY!3 of 3 people found the following review helpful. Great patternsBy Merry MaryI have an extensive collection of cross stitch books and patterns, but had somehow missed this one. I was very glad to add it to my collection, because most of the patterns are small and can be completed quickly. The charts and directions are very clear and well done.0 of 0 people found the following review helpful. Five StarsBy SusanI am enjoying sewing these cuties
