Cindy Ng : Girligami: A Fresh, Fun, Fashionable Spin On Origami before purchasing it in order to gage whether or not it would be worth my time, and all praised Girligami: A Fresh, Fun, Fashionable Spin On Origami:

1 of 1 people found the following review helpful. high heel shoesBy C. YatesIf you like shoes or like crafts such as origami you will love this book from . Make all the shes your heart desires with the papers included and the different designs of shoes for the busy crafter. SOOOOOOOO Cute.Girligami: A Fresh, Fun, Fashionable Spin On Origami2 of 2 people found the following review helpful. sweet whimsical take on an ancient art!By kmsGreat assortment of patterns, the papers are beautifully designed. I especially love the chocolate covered strawberries!I bought Girligami for myself but it would make a great gift for a daughter or friend.0 of 0 people found the following review helpful. liked thisBy curlyI scanned the patterns into my computer ,changed the colors ,made some with designs,looker really cute with an origami dress.for mothers day decorations. even made little hangers for the dresses.

The ancient art of origamiupdated for todays teens! A new take on a traditional craft 20 fantastic designs Includes preprinted origami papers to tear out and fold Little shoes, little purses, little animals, little hearts . . . where to begin?Origami is fun. But theres a limit on how many origami cranes anyone can use in a lifetime. Fortunately, Girligami is here, ready to show cool crafters how to fold outside the box! Twentyd adorable, all-new designs are perfect for anyone who loves fashion, friends, and folding. Oooh, look! Little shoes! Purses! Clothing! Purses! Adorable animals! Valentine hearts! Fortune-tellers! More! More! More! Each project comes with step-by-step directions plus multiple preprinted origami papers to tear out and fold. A separate chapter shows great ways to use the

origami crafts, like turning them into earrings and necklaces or adding them to cards and gifts.
