Jan Beaney, Jean Littlejohn : Giving Pleasure: Bk. 8 before purchasing it in order to gage whether or not it would be worth my time, and all praised Giving Pleasure: Bk. 8:

5 of 5 people found the following review helpful. Minimalist pleasureBy Pamela ZenValue for money this book is only a 1-star. It gives a smattering of ideas with very little detail. Disappointing that the authors refer you to their other titles rather than share the "how to" aspects of ideas they propose.

This is a book full of ideas and inspiration showing different approaches to making gifts, small bags, gift packaging

etc., all based on embroidery and decorated papers.
