From Ingramcontent : Go Big Knits: 20 Projects Sizes 38-54 before purchasing it in order to gage whether or not it would be worth my time, and all praised Go Big Knits: 20 Projects Sizes 38-54:

1 of 1 people found the following review helpful. The pattern I tried had errorsBy Sherrin HoutmanThe book is nice but the first pattern I picked to do has several errors in the pattern and a design flaw. So that is why it got only two stars. Nice concept but the pattern I am doing obviously was not put through a vigorous testing phase. Do these patterns with a eye for errors and openness to changing it if you need to.

It can be hard to find a pattern for a cardigan or sweater that makes it easy to knit larger sizesbut now the search is over!
