Dennis Ellingson : God's Healing Herbs before purchasing it in order to gage whether or not it would be worth my time, and all praised God's Healing Herbs:

7 of 9 people found the following review helpful. Informative and EntertainingBy ReaderThis is a very useful book for anyone interested in natural medicine and nutrition. It also provides some fascinating insights into Biblical culture and

teaching. The writing is thorough and concise, without being dry. The authors own experiences are presented in an entertaining and meaningful way.

Enjoy and use this beautifully-illustrated book to: discover 78 popular herbs; "walk" through a biblical herb garden; get tips on growing and preparing herbs; find trusted herb suppliers across the country; improve your health and quality of life. Includes A-Z Herbal, recipes, medicinal charts, and a unique devotional section called "Jesus and the Herbs."

"Favorite recipes from herb growers across the country plus culinary and medicinal herb charts are complimented by beautifully done illustrations." -- The Essential Herbal Magazine, Nov/Dec 2004
"If you are a gardener of faith, you will find something in this book to inspire you spiritually and horticulturally." -- PRACTICAL GARDENER, Jan/Feb 2005
About the Author
A Christian pastor and writer, Ellingson served many years as an officer in the Salvation Army. He now pastors a country church in the forested hills of southwest Oregon, where he grows lots of herbs. He has written on many subjects. God's Healing Herbs is the result of his extensive study and use of herbs, and his belief that God has created all things for our good, either to benefit our physical lives or to teach us of spiritual things.
