**From Kelso Manufacturing Company : Grandma's Olde Fashioned Soap Making** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grandma's Olde Fashioned Soap Making:

69 of 69 people found the following review helpful. A short, poor mimeographed text on soap makingBy A CustomerI just received...Grandma's Olde Fashioned Soap Recipes -and boy was I ripped off. It was an 8 page xeroxed handtyped couple of sheets of paper with recipes that didn't even include the precise amount of lye to use in a soap recipe. Also, no author name was included anywhere on the papers or I would have written to them.
