Paul Farrell : Great Britain in Colour before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Britain in Colour:

Discover a Great Britain unlike any you've ever seen before! Acclaimed illustrator, graphic designer and print-maker, Paul Farrell takes us on a journey through Great Britain that will change the way we think about it forever. Encompassing its countryside, landmarks, and architecture, from the Highlands of Scotland, to the White Cliffs of Dover, the beautiful and bold images in Great Britain in Colour are vibrant, playful and iconic. By taking a less-travelled path through our history and landscape, he also invites us to re-think what makes something quintessentially British, showing us new ways of looking at the familiar and uncovering hidden gems. What he reveals is a country rich in tradition, beauty and steeped in history, yet also vivid and alive with energy, all celebrated here in brilliant colour.
