0 of 0 people found the following review helpful. OutdatedBy diane croitorOutdated but useful for beginner stampers. Poor description provided in marketing prior to purchase. Useful as glossary for terms related to stamping only. Projects are simple.0 of 0 people found the following review helpful. Good for ideas to build onBy cdThere are some really interesting card designs in this book...many that can be used as a basis for additional design techniques on cards, art journals, or whatever. I didn't give it 5 stars because some of the techniques aren't my style, but for \$4 from marketplace it is well worth it for the ones that are.0 of 0 people found the following review helpful. Five StarsBy Marlene BradyGreat product!!!!!! Great deal!!!!!!

Crafts teacher Judy Ritchie covers inks and inking, papers, masking, borders, mats, embossing, punches, paper folding, and other 3-D effects in this all-inclusive look at rubber stamping. Full-color projects focus on the method, process, or idea under discussion. The book features 150 illustrations, a glossary, and a source guide, and includes three cropping tools/templates.
