**Roger Carp : Great Toy Train Layouts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Toy Train Layouts:

0 of 0 people found the following review helpful. Great layouts -- great book By MDMD Great selection of layouts, with outstanding color photos and fine writing, make this worth looking for. 1 of 2 people found the following review helpful. Great Toy Train Layouts By Donald L. Miller What a great book. Full of magnificent layouts, beautiful pictures and great narrative. I very much enjoy Roger Carp's insightful writing style. 0 of 0 people found the following review helpful. Good book from Roger Carp By Robert Kennedy Enjoyed this book. Very interesting especially for Lionel train enthusiasts.

Author Roger Carp introduces the creators of 11 terrific toy train setups, two of them appearing for the first time in print. Taken together, these layouts in Standard, O, and S gauge push the envelope of modeling approaches. Hi-rail or tradition, toy-like or near-scale, these visions testify to some of the hobby's most gifted talents. Filled with beautiful color photographs and sparkling text, "Great Toy Train Layouts" will entertain and inspire hobbyists for years to come!
