Joe Deger : Greenberg's Guide to American Flyer S Gauge: Volume 3 - Sets before purchasing it in order to gage whether or not it would be worth my time, and all praised Greenberg's Guide to American Flyer S Gauge: Volume 3 - Sets:

0 of 0 people found the following review helpful. this is one of the best references availableBy JohnVolume three of a three volume set. If you collect, operate or just admire A.C. Gilbert's S gauge American Flyer trains, this is one of the best references available. A bit dated now, however; the bulk of the information is timeless and seemingly not readily available elsewhere.

GREAT GIFT FOR ANY AMERICAN FLYER COLLECTOR, APPEARS TO BE COMPLETE AND COVERS THE YEARS GILBERT S GUAGE YEARS, SEARCH BY SET NUMBER, ENGINE OR YEAR TO GET WHERE YOU'RE HEADED. ALL SETS HAVE A CONTENT LIST WITH SPECIAL INTEREST NOTES AND MANY ARE PICTURED. LOTS OF SETS SHOWN IN COLOR.
