J.B. Wood : Gun Digest Smith Wesson MP Assembly/Disassembly Instructions before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gun Digest Smith Wesson MP Assembly/Disassembly Instructions:

0 of 0 people found the following review helpful. Great guide for a SW MP ownerBy Kindle CustomerVery useful for those who may be new to the SW MP pistol.0 of 0 people found the following review helpful. Needs more pictures.By DaleI supplemented this book with YouTube videos. Videos move too fast and this book fills in the blanks. Also, it's best to check the "experts" work, which this book does.2 of 2 people found the following review helpful. Short and sweet instructionsBy R. HolmesThis really is only the instructions to field strip and MP. Fine for what it is. I expect if you had one, this would be in the owners manual. I bought it only to be familiar if I was ever handed one as I don't own one.

This short eBook teaches you how to take apart and reassemble your Smith Wesson MP with confidence. Thanks to clear Assembly/Disassembly instructions and crisp photography - aided by gun expert J.B. Wood's sage advice - you'll save an expensive trip to the gunsmith by getting to know your gun inside and out!
