**Meg Evans : Hand-Stitched Boxes: Plastic Canvas, Cross Stich, Embroidery, Patchwork** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hand-Stitched Boxes: Plastic Canvas, Cross Stich, Embroidery, Patchwork:

A simple box can become a delightful embroidered treasure or special gift! All the boxes feature different materials

and are superbly crafted inside and out, with carefully made and colorful linings to blend with the imaginatively decorated lids. Instructions for decorative needlework techniques feature full-color photos of finished projects, as well as diagrams and charts that cover each stitching step. The box styles to choose from include circular, square, and rectangular shapes, and drop-sided, fit-on, slip-in, or fit-over lids.
