Missing patterns By Pat borak This is my second review and I'm still not happy The book of actual patterns was supposed to be in the book but was missing you can't copy the pattern how can you make the sampler This was supposed to be a pull out section There were 2 patterns inside 0 of 0 people found the following review helpful. Sew much fun By GRITS Neat little book of embroidery designs, more on the primitive side. These patterns are for hand stitching and are fun and easy to do. I like them!! 5 of 5 people found the following review helpful. If you like the look of primitive stitchery, buy this book. By --corinne-- Really cute, whimsical designs

in "I Done My Best!" Several of Ms. White's designs feature really darling angels and are very pleasing. (I like the 4th of July angel.) The author also suggests how you can create arrange your own designs.I ordered my copy from , without whom I would never have discovered this book.Saundra White, please publish more designs!There are several web sites on the Net that provide help and techniques in tea-dyeing muslin linen, so look for those when you get ready to stitch.
