Delivery was on time and the price seemed reasonable.0 of 0 people found the following review helpful. good informationBy CustomerIt covered not only the handbuilding but gave moreinformation, very concise. It contained good clear information, well organized and informative.

This superb book brings a sound practical knowledge of the main ceramic methods to both beginners and practising makers wanting to enrich and extend their approach.

About the Author Josie Warshaw trained in ceramics at Harrow School of Art. She then worked as a ceramics technician at Camberwell School of Art and now teaches in Adult Education in London. Josie has had her own studio since 1983. She was accepted on the Crafts Council's Selected Index of Makers in 1995, and her work is represented at the Institute of Contemporary and Applied Arts in London.
