Handmade Interiors shows you how to create your own soft furnishings, such as cushions and curtains, and transform every room in the house. Give your home a charm all its own with this comprehensive one-stop guide to creating custom-made soft furnishings. Handmade Interiors guides you through projects ranging from cushion covers, curtains, and blinds to bedding and simple upholstery. Clear step-by-step pictures show how to create your version of the inspiration pieces shown, while advice on fabrics and suggested variations are provided to help you tailor each project to your own unique space and budget. Handmade Interiors also includes tips and techniques from experienced crafters

and information on basic sewing techniques to ensure your home-design projects always have a professional finish.

"Given DK's reputation for publishing practical, well-illustrated books, it's no surprise to find this helpful volume on sewing decorative accessories for the home." *Library Journal*
