Although I'm not necessarily into handmade jewelry I picked it up to learn more about niche in general plus I know a few people who I was considering giving a handmade jewelry set too. The most valuable section of the book is how it describes the tools needed to get the jobs done. The chapters are illustrated and I found this helpful because some of the tools mentioned by the book to make earrings are things I never heard of such as nippers and chain nose pliers. The images helped me to realize that there were a lot more things which are needed besides a jewelry set itself. I would definitely recommend this book as a base foundation introduction to give as gift with a full on jewelry making set and tools for any person who is looking for a new hobby.

4 of 4 people found the following review helpful. It provides useful tips and tricks to make beautiful handmade beaded jewelry. By Claudia I am a crafty person, always searching for new methods and techniques to create different things. Making jewelry was one of my passions. And when I found this book online, I became very excited. It was really interesting to read how to make different kinds of jewelry. It provides useful tips and tricks to make beautiful handmade beaded jewelry. Now I can create pretty earrings, lovely necklaces, amazing bracelets, beautiful beaded rings, and jeweled hair accessories, such as hair pins, combs, and hair bands. This craft has helped me a lot in saving money on gifts and handmade jewelry. I gifted a couple of jewelry items to my family and friends, and they love them too. Moreover, this book is a great guide to teach my kids the basics of making handmade jewelry as it contains easy to understand and follow steps for each type of jewelry. Because of this amazing book, now I'm planning to sell my handmade jewelry online. A must-read book for crafty persons!

1 of 1 people found the following review helpful. Sooo disappointed. By KAW. Pictures are almost non-existent. There is only description on most. The pictures that are there are fuzzy as to be useless. I want my money back! The cover pictures are not in the book!
