**Annette Feldman : Handmade Lace and Patterns** before purchasing it in order to gage whether or not it would be worth my time, and all praised Handmade Lace and Patterns:

3 of 3 people found the following review helpful. Highly recommended reference: history of "true lace" its economic importance; instructions for 'modern lace"By palo pallasHighly recommend Reference Book, enjoyable read; Intensive coverage of the history and types offancy lace aka true lace from Needle Point to Bobbin Lace. Book covers economic importance of these laces, from country to country. Included are many clear b w photo examples, good contrast.Latter chapters focus on modern lace making;Acquaints reader w/ a variety of modern laces, each beginning w/ clearly drawn images of how stitch should be made should look (basic stitches).Reader is advised in language (abbreviations repeats) of how a pattern is written, allowing reader to understand follow pretty much any pattern instruction.Included are many pages of projects w/ full instructions (patterns), each written using abbreviated language.History only, concerning Bobbin Lace; original Needle Point Lace0 of 1 people found the following review helpful. Three StarsBy Alan T Dinseits ok.
