Helen M. Stevens : Helen M Steven's Embroiderer's Year before purchasing it in order to gage whether or not it would be worth my time, and all praised Helen M Steven's Embroiderer's Year:

1 of 1 people found the following review helpful. Not a pattern book!By DENISE L SPENCERThis is a very beautiful book. Lots of pictures of finished works and ideas for each month, BUT, THERE ARE NO PATTERNS at all. Nada. Zilch. I am so disappointed because I bought the book because I thought I was getting patterns to embroider, not just inspiration.0 of 0 people found the following review helpful. Luve it it wonderfulBy Victoria MunizLove it its wonderful. Will be using the ideas within this book right away.Thanks for sending it on time. Good condition as well.0 of 0 people found the following review helpful. Wonderful book!By MargaretWonderful book.

Helen explores each month of the year in embroidery through traditional celebrations such as Christmas and Easter, Thanksgiving or the Fourth of July, as well as through the changing scenes of nature like the appearance of the first snowdrops, the arrival of migrating birds like the swallow, harvesting the corn, or the ripening of autumn fruits. Helen's special talents lie in her close observation of the flora and fauna of the natural world and translating them with skill into exquisite embroideries. In this book she continues to share her secrets with the reader.

About the Author Helen M. Stevens has become an internationally-acclaimed embroiderer and designer since opening her studio, True Embroideries, in 1981. Her unique pictures, worked by hand in pure silk, are in collections around the world, and commissions include work for the Mary Rose Trust, Harrods, the Edith Cavell Hospital, and the Palace of Westminster. Helen also lectures throughout the UK and overseas and undertakes research on medieval and contemporary embroidery. Helen lives in Suffolk.
