**Sanrio Company : Hello Kitty Origami** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hello Kitty Origami:

From Hello Kittys iconic bow to My Melodys floppy ears, origami has never been so supercute! The projects featured in this book were designed by the versatile Japanese crafter Eriko Teranishi, whose work ranges from paper folding to crochet. Use the completed projects to make greeting cards for friends, create play scenes, or decorate the table at a Hello Kitty tea party. Includes 80 sheets of origami paper printed with Hello Kitty colors and patterns. Also available by Sanrio: Hello Kitty Presents the Storybook Collection: Thumbelina and Alice's Adventures in Wonderland.
