**Debra Knapke, Laura Peters : Herb Gardening for the Midwest** before purchasing it in order to gage whether or not it would be worth my time, and all praised Herb Gardening for the Midwest:

0 of 0 people found the following review helpful. What to plant in the chilly Midwest?!By Me and ThreeThis book helps those who are just beginning their foray into herb gardening discover those plants that can survive and thrive in a climate that is not always hospitable. The illustrations are a great help and the information was clear and concise!0 of

0 people found the following review helpful. Five StarsBy JessicaGreat book... helped learn about the different herbs and how to use/save/grow them.2 of 2 people found the following review helpful. Herb gardening for the MidwestBy Diane S. ClarkIt's one of my favorite books in my extensive herb library. Easily formatted to grab as a quick reference when I have a need or question.Diane ClarkHicksville, OH
