From Brand: Weldon Owen : Herbs (Little Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Herbs (Little Guides):

0 of 0 people found the following review helpful. This book might be little but its big on info!By JacksterThis book might be little but its big on info! Your essential herb answer book!0 of 0 people found the following review helpful. Little GuidesBy Stephen A. GrossOver the years I have collected many of the titles in this Little Guides series. They are basic to advanced, creative, informative, and in a very handy size. The recipes encourage creativity and trying variations with many interesting suggestions. Great books for everyone from a beginning cook to an advanced one.0 of 0 people found the following review helpful. HerbsBy Darleen SnyderThe book came arrived in great condition. Herbs book has lots of Pictures and great info. even some recipes. Just great.
