It has given us much information about the planting and caring for the Herbs we now have in our garden. We were able to pick the best spot and we are already reaping the rewards. We've found many different uses for the Herbs, which ones soothe the tummy and lower blood pressure.

Everything you need to know about the world of herbs in a full-color A to Z catalog of over 90 herbs, complete with

detailed instructions on growing, harvesting and preserving, along with home remedies, cosmetic uses, and original recipes.
