MARGARET MOORE : HERE, KITTY before purchasing it in order to gage whether or not it would be worth my time, and all praised **HERE, KITTY**:

1 of 1 people found the following review helpful. My favorite childhood book!By Michelle JMy mom got me this book when I was 5 yrs old. It was my first book. I loved to pretend I could read it. My grand kids love it now! I loved the wording "Here, kitty, kitty! Wash you face and drink your milk-" then you have to turn the page for the following "Just like me!"
