Particularly beautiful are the herb garden gauntlets, the rent shawl, the healer's hands gauntlets, the boar hunt capelet and both boot cuff patterns. I've made the Falling Leaves boot cuffs already. Great gift pattern because you could probably finish up one per evening of knitting. Very clear instructions. I also made one of the Herb Garden Gauntlets. Again great instructions in both chart form if you are a chart reader and in written instructions. 0 of 0 people found the following review helpful. The only downside is that several of them are made from super chunky yarns which are hard to find at reasonable prices. However, they are fast,

instant gratification knits and you can knit them in 1-2 episodes.0 of 0 people found the following review helpful.
