Kooler Design Studio : Hold That Thought Cross Stitch Bookmarks Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Hold That Thought Cross Stitch Bookmarks Book:

5 of 5 people found the following review helpful. Excellent investment for the frequent cross stitcher By Resa I got this book on a whim because I had a gift card to use up and I was looking for something to do with all the extra cross stitch material and thread I've had left over from larger projects. The price was well worth it. I've already used these patterns on multiple occasions to make birthday, graduation, thinking of you gifts, etc. I've been able to turn my cross stitching scraps into gorgeous projects, and these patterns don't take up too much time or very many materials but you don't loose out on detail or quality. While the designs themselves may not be challenging for an experienced stitcher I've found there are ways to add a few extra embellishments, such as adding bead work or blending filaments. Also, it's easy to customize some of the color pallets to personalize the bookmark to the person it's going to if you're making it

as a gift (I've done that a few times with the initial bookmarks).1 of 1 people found the following review helpful.
Wonderful booklet.... Pays for itself again and again with truly unique designs and ideas....By SwimminNurseArrived promptly..... And FILLED with a variety of different designs..... From hummingbirds to owls to beautiful sayings.... Some are quick-to-stitch and others take a substantial amount of time..... But my favorite thing about this booklet is the inspiration I've gained from it..... Many ideas for different ways to beautifully finish bookmarks with ease.... The knowledge gained here can be applied to create bookmarks from any cross stitch design.0 of 0 people found the following review helpful. Five StarsBy Cate ThompsonA nice variety of designs!

Get in touch with your inner bookworm and cross stitch these bookmarks for yourself or special friends and family. Elegant whimsical traditional or contemporary there is a bookmark design for everyone all designed by Sandy Orton. The 37 gems are presented in 2 collections: Words of Wisdom includes beautiful florals, thoughtful sentiments, and sophisticated designs, I Can Read has vibrant cheerful designs to fit any kid's taste and personality. Several alphabets are included for personalizing. Tucked into a favorite book your hand-stitched greeting will be a ray of sunshine each time the book is opened.
