**Jayne Schofield : Home Heart Cross Stitch** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Home Heart Cross Stitch:

Jayne Schofield, cross stitch designer, has produced this beautiful book containing a range of delightful cross stitch patterns, lovingly crafted, to celebrate house, home, love and family. The themes found within this book include baby samplers, garden, house, home sweet home, craft, sewing and wedding. Some of the designs can be easily personalised by adding names and dates using the alphabet charts provided. Jayne's love of colour and design has been lovingly captured within these cross stitch patterns and the simplistic nature of her work makes this an ideal book for both the beginner and the more experienced stitcher. Inspired by Jayne's love of family and home, the cross stitch projects within this book are designed to adorn the house once stitched or to help celebrate those special moments in life.
