From Annie's : Hooked on Crochet! Slippers before purchasing it in order to gage whether or not it would be worth my time, and all praised Hooked on Crochet! Slippers:

0 of 0 people found the following review helpful. Just what you need for the fall and winter. By Jimanb Great patterns to work on and easy to follow. Great easy projects for anyone who has left over yarn they want to use up. 4 of 4 people found the following review helpful. Slip away! By A. Gibson Have had this maglet in the past but lost it along the way. It makes awesome slippers, easy to read patterns and lots of patterns to choose from. Is also easy enough to switch from the expensive yarns they recommend for the project, to a cheaper 'like' item yarn. I've made dozens of slippers over the past few years for grandkids, family, friends..just never any for me! Now that I'll have the book soon, first pair made will be for me! 0 of 0 people found the following review helpful. Underwhelmed By RKWP Purchased for my mom who enjoys crochet...she seemed underwhelmed. After asking, she reported that she felt that the slippers where complicated to make. I don't know if I should blame this on her or the book. Maybe it would be helpful to add skill

level.

Toes can be kept toasty with the 10 pairs of slippers in this new book from Annie's Attic. Includes knee-high slippers, bed slippers, slippers with pom-poms, cuffs, granny squares and more. All are made using worsted weight yarns. Skill level: Easy to Intermediate. 20 pages, all color
