He has a passion with a drawing and this is the perfect guide for the creation action figures with pencils. Inside the book there is all the procedure step by step with nice pictures and with understandable directions. The drawing seems easier with this book!1 of 2 people found the following review helpful. Oh well, I like and appreciate curvy women.By CarlI enjoyed reading Chapter 5: Female Curves. I am not into drawing, but I got the book just because of chapter 5. Oh well, I like and appreciate curvy women. Yes, I said it on . Anyways, I think the author knows what he's talking about and you should checkout the book.0 of 1 people found the following review helpful. Where are the pictures to show the process?By Michele86Reads like an internet commentary without expected images examples. Not much visual help, but you can read all about the process of drawing action figures. Words mean little too an artist without visual examples...ijs
