Anne Chambers : The Practical Guide to Marbling Paper before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practical Guide to Marbling Paper:

1 of 1 people found the following review helpful. Four StarsBy Alan W.Author presents process as overly complicated. However, subject was thoroughly covered. Worth the read.4 of 8 people found the following review helpful. Interesting bookBy PaulA little complicated, but interesting. This will be a project for this coming winter when there isn't any yard work to do.0 of 5 people found the following review helpful. Three StarsBy Kitty HillBook came as described but have not read yet

First U.S. edition. Contains 82 illustrations with 54 in color. Introduction by Bernard C. Middleton. Excellent for professionals and amateurs. Shows the technique of marbling paper in the classic tradition, using ox gall and water colors on a size of carragheen moss. Review copy with slip inserted. Half title toned along edges. 88 pages. stiff paper wrappers.. 8vo..
