Erna Rath : The Splendid Soft Toy Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Splendid Soft Toy Book:

0 of 0 people found the following review helpful. Splendid soft toy bookBy Steve SweetkoEven though this book was published in 1981, it is full of ideas for soft toys for children that would still be popular today. It includes all kinds of characters, from animals to fairy princesses, puppets, and so much more. Fleece fabric would be a great choice to use for many of these toy projects. There are some tiny animals made from felt that a child would love to have. The patterns are not full-sized so you will have to enlarge them. The directions are very clear and detailed. I recommend this book for anyone who would like to make gifts for children to cherish. Lois Sweetko1 of 2 people found the following review helpful. Purchase as orderedBy Jennifer R. CallowProduct Arrived in a timely manner. Book was as ordered. good purchase. 1 of 2 people found the following review helpful. book in great condition and delivered on timeBy Leni CowlingThis is a fun book for those who sew dolls and animals. Great ideas!
