Not what I was hoping forBy Barbara HallI ordered this is hopes that there would be a pattern for "Bachelor Buttons/Corn Flowers in it since it was the ULTIMATE Flower Book. Unfortunately, there was not a pattern for that flower, (but there were scads of ROSE patterns), which I did not need. It is too bad that you cannot see a GLOSSARY PAGE shown on items like this. I was disappointed to say the least.1 of 1 people found the following review helpful. I loved itBy silvya toreI loved this book, the designs are wonderful and it was more than I expected.
