**Alice Starmore : Tudor Roses** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tudor Roses:

0 of 0 people found the following review helpful. This Book is a Keeper!By KschimmelwriterWonderful book for history buffs as well as knitters. I loved the stories that went with each pattern as well as the amazing photography and clear, detailed charts. I want to knit every single thing!4 of 4 people found the following review helpful.

MasterpieceBy Timothy SchillingI rated this a 4 though it is a 5 only because it is not an full reprint of the original book. I am going to keep it, but I did buy it because I wanted to do the Blue Henry Tudor sweater that is in the original book. This is not in the new issue of the book that I have gotten. Not sure if others are missing as well since I have only seen a few images from ebay. The book is the most beautiful I have ever seen and well worth keeping even though the project I wanted to do is not in this book.0 of 0 people found the following review helpful. Five StarsBy April F.Really great book.

"It is the perfect blend of fashion, photography, English history, and knitting!" *Petals to Picots* "A gorgeous book filled with classic-looking sweater patterns." *Canary Knits* Featuring new and reimagined garments based on the original edition published in 1998, this volume of *Tudor Roses* presents gorgeous knitwear inspired by the historical female figures of the Tudor Dynasty. Through garment design, Alice Starmore and her daughter Jade tell the stories of fourteen women connected with the Tudor dynasty. They weave a narrative around the known facts of their subjects' lives using photography, art, and the only medium through which the Tudor women could leave a lasting physical record in their world: needlework. *Tudor Roses* includes fourteen patterns for sweaters and other wearables that follow the chronological order of the Tudor dynasty. A different model portrays each of the Tudor women, from Elizabeth Woodville, grandmother of Henry VIII, through Mary, Queen of Scots. The stunning design and photography appeals to knitters seeking designs that offer an attractive balance of historic and modern elements.

**About the Author** An acclaimed textile designer, author, artist, and photographer, Alice Starmore is a native of Scotland's Isle of Lewis. Starmore has taught and lectured extensively throughout Britain, Europe, and the United States. She has written 16 books and countless magazine articles. Dover has previously published her acclaimed *Aran Knitting* and her classic *Book of Fair Isle Knitting*, which introduced Americans to the popular traditional technique.
